The Entrepreneurial Music Educator

"The Entrepreneurial Musician Clinic"

Founder, Developer and Presenter

September 2013 to Present

The Entrepreneurial Musician, Tools to Catapult Your Success in the Music World clinic is designed to challenge, engage and assist young musicians conceptualize their potential as a musician in the music industry. Students learn how to start an ensemble, launch a music career, derive multiple income streams, manage your finances, and build and maintain a network.

"The Portfolio Musician, Case Studies in Success" Published 2014 Written by authors

Jeff Conner of the world-renowned Boston Brass and Grammy nominated recording producer and university professor John M. Lavery. The theme of The Portfolio Musician: Case Studies in Success is the musicians of today need to have multiple skills in music unlike prior generations that only needed one skill. Containing a collection of forty-seven profiles, the "Portfolio Musicians" share their experiences in classical music, pop music, jazz, opera, conducting, composing, teaching, the music industry, artist management, studio recording, and many other fields of music.

EDUCATION:

Masters in Music: Music Performance- Boston University School for the Arts 1987, Boston, MA.

Bachelors of Music: Music Performance- Boston Conservatory of Music 1985, Boston, MA.
